Dear Mr. Boucher:

On behalf of Monsignor Carton, and the Parish Family of St. Mark's Catholic Church, this is to thank you for your excellent presentation at our Special Parish Council meeting on October 24, 2006, "Ordinary People Doing Extraordinary Things to Bring Others to God." Your presentation at this event was greatly appreciated and very well received by the members of our parish ministries. You have given us real, practical insights into deepening our faith and devotion to God, as we work to be of greater service to our community of believers.

The Special Parish Council meeting was attended by over 70 participants including members of the Holy Name Society, the Altar Rosary Society, the Social Concerns Ministry, Altar Servers, Readers, Extraordinary Ministers and St. Mark's Spanish Ministry, to name a few. We are proud of the accomplishments of this event. This would not have been possible without your very worthwhile and spiritually compelling presentation. Thank you for all your hard work and dedication both in planning for, and presenting at, this important event.

Thank You and God Bless!
